### Weekly Calendar for Spring 2019 Session

#### Graphic View

#### Legend:

These are days that keep a **regular class schedule**.

These are basically **free days or rest days** that students can use as they wish – for studying, traveling, resting, and so on.

These are **special programs that are part of the core program** but outside the regular class schedule – eg. meditation retreats or workshops.

These are days for **field study, exposure trips, or workshops outside of the main campus** of Wongsanit Ashram.

These are days for observing **special occasions**, such as opening and closing ceremonies, and for collaborating on **final project preparations**.

These are days on which there will be **activities undertaken by the work team** only; students will not normally have any duties on these days.

Dear All,

This is a draft schedule for the School of English for Engaged Social Service program for Spring of 2019. This schedule is subject to change. We have tried to attain a balance of regular class days, rest days, workshops, and field excursions. Within this schedule you will have quite a lot of time to plan freely on your own or with others. Please think about how you can use that unstructured time to be of most benefit.

Many good wishes,

Ted
